7th Avenue Trading 500cc Trading as Alpha Engineering

Dear Customer

Please note that we do not trench in rocky conditions, if soil is too hard or too rocky, we reserve the right to recall our machines immediatly.

All underground services are the responsibility of the customer, please clearly mark out all underground services for our operator to see. Please supply us with a company letterhead saying that you acknowledge that all underground services are your responsibility.

Please arrange with our operator on the daily transport to site.

Regards

Alpha Engineering

I _____ from _____ (company name) acknowledge and accept the terms on this document on _____ day of _____ 2015
